Durham Masonic Caravan and Camping Club Rally Raby Gala

Come and camp with your family and friends in the grounds of the magnificent Raby Castle during the weekend of the Raby Gala.

On behalf of the 2021 Festival and Raby Gala Committee, the Durham Masonic Caravan and Camping Club (DMCCC), are organising a caravan and camping rally from Thursday 30th June to Sunday 3rd July, 2016, to coincide with the Raby Gala.

We have secured a large site adjacent to the main exhibits/activities area. Importantly, this Premium site is located on firm, flat, even ground, perfectly suited for vans & tents and there will be improved facilities including several water standpipes along the edge of the rally field, proper waste and chemical toilet disposal points and portable toilets. There is no electricity but generators are permitted up to 11pm.

As well as enjoying the many activities of the gala day itself, you will be able to attend the other entertainment (at additional cost) that the Mark Master Masons and members of the North East Corner are organising in the Marquee on the Friday and Saturday evenings respectively (more information to follow). There will be a get together on Thursday evening in the DMCCC large tent. The tent will also be available for people to drop in for a coffee or to meet up with friends throughout the rally.

The cost of the weekend is £40.00 per unit for the weekend (3 nights) and includes entry to the Gala. In the event of the rally being oversubscribed, allocation of pitches will be made on a first come first basis.

We are now accepting expressions of interest from those who may wish to attend the rally; if you wish to reserve a pitch or wish further information then please contact;
